

# Active & Safe

## Routes to School

### Keep Safe When Walking to School!

- Look left, right, left again, and listen for traffic before crossing the street.
- Learn and obey traffic signs and signals.
- Walk, never run, across the street.
- Walk on sidewalks when going to and from school.
- Use crosswalks when crossing the street.
- Respect and listen to your crossing guard.

Traffic signs and signals show us when it's safe to cross streets. Name each sign. Use the words in the list at the side.
